

“PRADHAN MANTRI KRISHI SINCHAYEE YOJANA” IN ASSAM

“The growth of the nation is deeply connected to the wellbeing of the farmer and the productivity of farming”

The State irrigation plan of Assam under PMKSY comprises of District Irrigation Plan of all the thirty three districts for Accelerated Irrigation Benefit Programme and has been approved by State Level Sanctioning Committee (SLSC) in February, 2017.

Pradhan Mantri Krishi Sinchayee Yojana has been very successful since its implementation in Assam. Out of 33 districts, in Phase I, 14 districts have been identified and implementation work in these districts have been completed. The works in the remaining districts in Phase II are in progress and are expected to be completed soon.
